👉 "They cranked up the divisiveness and hate along with targeted pain & suffering to guarantee the results they were attempting to achieve. If you add in demoralizing & defunding law enforcement the results will be at least 10X worse. This terrorism was orchestrated by insiders."

Isn't it ironic that the Dream of MLK has not come true because of Trump or when it serves to line their pockets. President Trump and Dr. King would probably be very close friends today.
